Brandywine Valley CPCU Society Chapter I-Day 2014

Dear Risk Management and Insurance Professionals:

On Friday, October 24, 2014, from 7:30am- 2:00pm, the Brandywine Valley Insurance community will come together at the Carriage House at Rockwood Park for Industry Day (I-Day), organized by the Brandywine Valley CPCU Society Chapter. This event will draw up to eighty insurance professionals in our community and provide a great opportunity for you to showcase your organization as well as recognize those employees that have earned designations in 2013 & 2014 through The Institutes. To help underwrite the day, various Sponsorship, Exhibition, and Advertisement opportunities exist. Your support is appreciated and will help ensure a successful event.

This year's program includes:

- A panel discussion on fraud from five perspectives; the agent, the underwriter, the special investigation unit, the medical investigation area, and the state.
- Opportunity to earn four Delaware and Pennsylvania Continuing Education credits
- Recognition and celebration of the 2013 and 2014 CPCU and IIA designees
- Networking with leaders of the Brandywine Valley insurance industry
- Keynote Speaker United States Senator Tom Carper, Senior Senator for Delaware

The purpose of the Brandywine Valley Chapter is to support the CPCU Society strategic plan of knowledge, empowerment, and engagement. Your generous contributions will help support the chapter to provide programs that build the future leaders of our industry in the Brandywine Valley area.

We have included a detailed sponsorship levels document with this letter. If you are interested in being a part of this event, then you can contact me at 302-252-4933 or at elizabeth.carter@21st.com I look forward to hearing from you.
